Information

GENERAL INSTRUCTIONS: This application is for use in claiming a property tax exemption for "freeport goods" pursuant to Texas Constitution Article VIII, Section 1-j and Tax Code Section 11.251. The amount of the exemption for this year is normally based on the percentage of your inventory made up by such goods last year.

The exemption applies to items in your inventory that (1) are or will be forwarded out of Texas within 175 days of the date you acquire them or bring them into Texas and (2) are in Texas for assembling, storing, manufacturing, repair, maintenance, processing or fabricating purposes.

For aircraft parts, the governing body of a taxing unit may, by official action, extend the deadline by which freeport goods must be transported outside of the state to no more than 730 days after acquiring or importing the property into the state.

This exemption does not apply to oil, natural gas, or liquid or gaseous materials that are immediate derivatives of the refining of oil or natural gas as defined by Comptroller Rule 9.4201.

For purposes of this application, "inventory" means your inventory of finished goods, supplies, raw materials and work in progress.

WHERE TO FILE: This document, and all supporting documentation, must be filed with the appraisal district office in the county in which your property is located. Location and address information for the appraisal district office may be found at www.cameroncad.org.

APPLICATION DEADLINES: The completed application and supporting documents must be submitted to the appraisal district between Jan. 1 and April 30 of the tax year for which you request the exemption. For good cause shown, the chief appraiser may extend the deadline for filing the application by written order for a single period not to exceed 60 days. The chief appraiser may disapprove the application and request additional information. If the chief appraiser requests additional information, the information must be furnished within 30 days after the date of the request or the application is denied. For good cause shown, the chief appraiser may extend the deadline for furnishing the information by written order for a single period not to exceed 15 days. If the chief appraiser denies the application, that determination may be protested to the county appraisal review board under Tax Code Chapter 41. A late application must be filed not later than June 15 for the year for which the exemption is requested. Pursuant to Tax Code Section 11.4391, if a late application is approved, the property owner is liable to each taxing unit for a penalty equal to 10 percent of the difference between the amount of tax imposed by the taxing unit on the inventory or property, a portion of which consists of freeport goods, and the amount that would otherwise have been imposed.

ANNUAL APPLICATION REQUIRED: You must apply for this exemption each year you claim entitlement to the exemption.
